

Techniques

Striping

Striping is available on items that are offered in optional finishes. Twelve striping colors are featured in two techniques: The Antique Rub technique features rub-through areas that reveal the underlying finish while the Solid technique is applied evenly. Please note that striping colors may look different on each base finish.

Special Finishes

Artisan Parchment, Rustic Black with Decoration, Rustic Vermillion with Decoration, and Scrubbed Ash have been developed for specific items. You may contact Hickory Chair for Special Construction consideration for use on other wood and upholstered items.

Custom Finishes

Hickory Chair offers custom application of finishes you send us to many wood products as a price per quote option. Contact your Customer Service representative for a Special Construction "Match Panel" quote.

Striping

Solid Striping is a solid color stripe applied evenly. Antique Rub Striping is a solid color stripe with random areas that have been rubbed through revealing the underlying finish. Solid striping is standard. Antique Rub Striping must be specified on your order.
