### About Vivian Armenti

Vivian has proven herself to be a leader in the home furnishings industry with her creative business marketing, business and sales development skills. She has a particular acumen with merchandising and visual design to showcase inspirational and relevant design for the luxury market.

As a graduate of the University of Florida with a Design degree from the College of Architecture and Fine Arts, Vivian has built a career in the design industry that spans retail and to the trade. After a successful career as a designer, she became the design director at a prominent high-end retail chain. Later Vivian managed a staff of 40 interior designers and over 17 award winning projects at a large high-end retail chain based on the Florida west coast. In the years since, Vivian has managed to the trade corporate showrooms in Dania Beach, Estero and now Naples, Florida. Her passion and dedication have led to many honors including Manager of the Year. Vivian is a member of the ASID West Florida chapter. Vivian has joined International Design Source and is showroom manager at Hickory Chair.
